

MILLEDGEVILLE MISSILES:

As Principal of Milledgeville High School I would like to welcome all of our students back from summer vacation. The entire staff has been working hard to prepare for the upcoming school year. Your teachers are ready to challenge you academically and provide assistance when you need help. High School is a wonderful and exciting period in your life. Be conscientious when it comes to school work and please take advantage of the many extra-curricular activities we offer.

This handbook will insure your success at Milledgeville High School and provide the current practices, procedures, and policies of our school. As such, it does not represent a contract between the school and the student, nor does it attempt to cover every situation that may develop during the course of the school year. It is provided to acquaint you and your family with relevant information necessary for the orderly functioning of the school and is intended to describe the school, its current practices, procedures, rules, and regulations. It has been structured to help promote student progress.

A teacher will discuss this book with you but you should also read through it yourself. After you have reviewed the handbook, your parents or guardians should review it so they will be aware of our schools expectations. Carry it with you at all times for easy reference.

The entire Milledgeville High School staff is here to help you succeed. See your teachers if you have a question or a problem. Encourage your parents to call the school if they have concerns. May you have an enjoyable and successful year.

Sincerely,

Mr. Schurman
Principal
Milledgeville High School

CURRICULUM

In its broadest sense, the curriculum of a school includes all of the organized activities of the school. It includes the subjects in which students are enrolled and the school organizations and activities in which students take part. These various subjects and activities are grouped together to form a pattern as responsive as possible to students' educational needs and interests.

The required credits in the basic curriculum are those through which the school attempts to meet some of the common educational needs of all students. The elective credits may be made up of courses for college entrance or the development of an appropriate skill to prepare the student for an immediate vocation.

GRADUATION REQUIREMENTS

All students must successfully complete the following required courses:

Credits Needed for Graduation

*Social Science credits must be divided in the following manner:

½ credit in Psychology I/II or Sociology I/II

½ credit in World History, Economics, or Geography

Credit is granted on the following basis

Physical Education waivers will only be granted as per board policy to students who are juniors and seniors. If a student opts to waive PE they must take a class in its place.

Class Standing

High school students must earn a minimum number of credits per year if they are to graduate in the normal four years. Current Milledgeville High School students are expected to earn a minimum of six credits per year. Credits are formally issued at the end of each semester. A student who has successfully completed a semester's work in any course, including a full year course, will receive one-half credit. This means that a student who drops a year course at or after the first semester and who has passed the course for one semester will receive one-half credit towards graduation. Students will receive a credit deficiency letter if they are not making normal progress toward graduation. Students will be considered Freshman, Sophomores, Juniors and Seniors based on the number of credits they have earned, not on the number of years they have attended high school.

Freshman Status	0-5 credits
Sophomore Status	6-11 credits
Junior Status	12-17 credits
Senior Status	18 + credits

Distance Learning/Dual Credit

The following guidelines will be followed at Milledgeville High School when considering a distance learning/dual credit course:

1. No distance learning/dual credit course will be offered if it appears to be a duplicate of a course offered concurrently at Milledgeville High School.
2. No distance learning/dual credit course will qualify as a class required for graduation at Milledgeville High School except in situations to resolve a scheduling conflict.
3. Courses offered as a distance learning/dual credit course will be considered a part of the formal curriculum of Milledgeville High School. This means that these courses will count toward a student's athletic eligibility, class rank and grade point average.

The following guidelines will be followed by the students when considering taking a distance learning/dual credit course:

1. Distance learning/dual credit will be open to Juniors and Seniors only.
2. Approval of the student's parents, guidance counselor and principal will be required prior to registering for a distance learning/dual credit course.
3. Students may be limited to the number of distance learning/dual credit courses they may take.
4. There will be no release time given to a student who is taking a distance learning/dual credit course. This means if a distance learning course is offered before or after school, this course will be taken in addition to the regular class load a Milledgeville High School Student takes.

5. Grades earned in a distance learning dual credit class will count towards a student's grade point average, class rank and eligibility for extra-curricular activities.

Credit Recovery/Correspondence Programs

All correspondence or credit recovery study to be applied toward graduation must be approved and supervised by the High School Principal. Credits earned in night school, summer school, other high schools, colleges, or any other deviation to this policy will be evaluated by the High School Principal on an individual basis in regard to meeting requirements for graduation. Special requests for consideration must be made prior to enrollment. No more than one credit of correspondence or college credit will be accepted to meet graduation requirements without special approval of the Board of Education.

GRADUATION

All graduates will be expected to wear the traditional cap & gown at the graduation ceremony. Any deviation must receive prior approval from the Board of Education.

Any student who does not meet Milledgeville High School graduation requirements will not be allowed to participate in the graduation ceremonies.

EARLY GRADUATION

Any student who wishes to graduate from Milledgeville High School in less than eight semesters must present an application to the board of education. This application must be completed and in to the high school principal by **October 1**. Also students that opt to graduate at the end of seven semesters forfeit any offices held, positions on athletic teams, and involvement in other activities. **Early graduates wishing to participate in prom must submit a written request to the high school principal along with their early graduation application. Prom participation will be at the principal's discretion and not all requests will be approved.** All early graduates will be allowed to participate in the graduation ceremonies and will not receive their diploma until that ceremony.

WEIGHTED CLASSES

The following college-prep classes will be given an additional honor point for the purpose of computing grade-point-average and class rank for students earning a grade of A, B. Grades of C, D or F will not receive an additional honor point.

For students who will be graduating in 2006 and beyond the following classes will be weighted:

Physics, Calculus, Advanced English (formerly Advanced Composition and English Literature), Spanish 4

Junior/Senior Early Dismissal Incentive

Junior or senior level students at Milledgeville High School who are not on the D/F eligibility list as of Monday morning of each week will be allowed to leave school once they have **checked in** with their 8th hour instructor. If a student qualifies for early dismissal they will be leaving school at approximately 2:30 P.M. Eligibility lists will be posted each Monday or the first day of the school week by 9:30 A.M. Students who do not qualify for early dismissal and/or are on the D/F eligibility lists will be required to report to their assigned instructional study hall 8th period.

If a student fails to check in with their 8th period instructor they will be ineligible for early dismissal for one month from the date of the infraction. Repeated violations of the 8th period check in requirement will result in further disciplinary action or loss of the privilege all together. In addition, students who have violations of school rules and/or handbook policies will be ineligible to participate in the early dismissal program. The amount of time for the loss of the early dismissal privilege will be in correlation to the infraction.

Instructional study hall supervisors will provide academic support and assistance to those students on the D/F eligibility list. Monthly reviews of the program and discipline concerns will be conducted by the high school principal, counselor, and study hall instructors in order to insure the program is run effectively.

COLLEGE PREPARATORY STUDENTS

Students who are considering attending college should plan their high school courses early, keeping college requirements in mind. While it is not possible to give the detailed curricular requirements of a number of colleges, the following should serve as a beginning guide:

English - 4 Yrs
Foreign Language - 2 Yrs
Lab Science - 3-4 Yrs

Mathematics - 3-4 Yrs
Social Science - 3-4 Yrs
Computer Science

Many schools do not have specific course requirements. They do require graduation from an accredited high school and use other factors for admission.

Students should contact the guidance counselor for the admission requirements of specific schools.

NATIONAL HONOR SOCIETY

The minimum grade point average requirement for admission to the National Honor Society is 3.50, and a 3.20 grade point average must be maintained to stay in the National Honor Society. Students that meet the minimum requirement will be voted upon for selection by The Faculty Council after they have completed the application process. The application process consists of listing what service the student has performed, recommendations of leadership, an essay on character, and staff evaluations. All of this information will be given to the Faculty Council that will vote and have final say on who is admitted into the National Honor Society. The student must receive a majority vote by the Faculty Council to be admitted.

All NHS members will be required to complete one service project each year. If the project is one other than the school organized project, it must be approved by the NHS sponsor prior to completion.

WHITESIDE AREA CAREER CENTER (WACC)

The student:

- a. Must not have failed any required subjects.
- b. Must not be deficient more than one-half (1/2) credit.
- c. Must not possess a previous history of suspension(s) or expulsion(s)
- d. Must have the approval of parents, counselor, and principal
- e. Must have junior or senior status.
- f. Must meet all other prerequisites as determined by WACC for acceptance in a given area.

Students attending WACC must follow all rules and regulations of the High School and the Career Center. Further:

- a. A student who misses the WACC bus is to report to the office for the duration of the WACC class period. DO NOT drive yourself without permission of the principal.
- b. Any student who misses the WACC bus two (2) times during the year may receive an after school detention. Any further misses may result in being dropped from the program.
- c. All students attending WACC shall use only the transportation provided by the district.
- d. Students will follow the WACC schedule even though MHS may not have school. However, in case of bad weather, and MHS is closed, students will not attend WACC.
- e. Any violation of the MHS BUS CODE will result in appropriate disciplinary action. Any activity, whatsoever, which is considered to have compromised the safety of transport will result in suspension not to exceed ten (10) days and/or, recommendation for expulsion.
- f. Students will not be allowed to go to their cars upon returning to MHS from WACC. Students who go to their cars without permission will face disciplinary action.

TEACHER AIDE PROGRAM

Juniors and Seniors may participate in the teacher aide program by requesting an assignment. Students' interests and abilities will be matched with teachers' needs within the framework of the student's existing class schedule. Although students will not earn academic credit for participation, letters of recommendation and reference will be prepared for the student's use in securing future education and/or employment.

DROPPING AND ADDING CLASSES

Students will have until the announced date to add/drop classes.

Procedure for dropping or adding courses is as follows:

- Obtain a schedule change authorization from the counselor.
- Get appropriate teachers' signatures.
- Obtain parent/guardian signature.
- If approved, report to new classes the next day.

Students who fail to turn in add/drop sheets prior to the deadline may not be allowed to change classes.

WITHDRAWAL FROM SCHOOL

1. Students who wish to withdraw from school should report to the office to receive the proper form for withdrawal, and have it signed by the parent and all teachers, indicating that the student is free of any obligations for each course.
2. All textbooks should be turned into their respective teacher and all fines and damage charges paid before the student leaves school.
3. Students planning to enroll in another school should leave written parental permission in the office to send their records to the new school.

INCOMPLETES

If a student suffered a prolonged illness, injury, etc., the student may be granted additional time by the teacher and/or principal. If an excused absence occurs at the end of a nine week grading period then that incomplete has to be made up according to the homework policy.

SEMESTER EXAMINATIONS

At the conclusion of each semester, semester examinations will be given. A definite semester-examination schedule will be determined and posted. Students who miss exams without a reasonable excuse will receive a grade of zero for the exam.

Seniors who maintain a C or above 2nd semester average in a class or do not miss school during the final nine weeks (pre-approved college visits will not count) will not have to take final exams for the 2nd semester of their senior year. Seniors who have to take second semester exams will have to follow the high school exam schedule which may result in coming back to school after seniors are typically done.

SEMESTER GRADE

A semester grade is calculated as follows:

45%	1 st nine weeks grade
45%	2 nd nine weeks grade
10%	semester exam
<hr/>	
100%	semester grade

CHEATING & PLAGIARISM

Giving or receiving information during an examination or on assignments, which do not allow for students working together, will result in a grade of zero and notification to the parents. Plagiarism of any kind will result in a zero for the assignment and the student's parents will be notified.

GRADING SYSTEM

The grading system used in each class will be as follows:

- A - 93-100
- B - 85-92
- C - 77-84
- D - 70-76
- F - Below 70

Recorded grades for each quarter and final grades shall be given a point value according to the following scale:

- A - 4 points
- B - 3 points
- C - 2 points
- D - 1 point
- F - 0 points

A plus (+) or minus (-) may be added to a grade as an informational device for the students and parents; however, it will not affect the grade point average (GPA).

A grade point average (GPA) will be computed for each quarter. The final GPA for a semester will be computed as an average of both quarters and the semester exam. The cumulative GPA will be computed as an average of all semester GPA's.

Any student who fails a required course must repeat that course or an approved substitute within the next year. Approval may be obtained through the school counselor with the final approval of the High School Principal.

If a student fails an elective course, provisions must be made to make up the credit; however, the student does not necessarily have to repeat that same course.

HONOR ROLLS

Academic and attendance honor rolls will be figured at the end of each 9-week grading period and at the completion of each semester.

HIGH HONORS

In order to receive this honor, students must receive "A" letter grades in all of their academic subjects. A letter grade of "B" will make the student ineligible for High Honors.

HONORS

In order to receive this honor, students must have a letter grade of "B" or better in all of their academic subjects. A letter grade of "C" will make the students ineligible for Honors.

HONORABLE MENTION

In order to receive this honor, a student must have a "B" average in all of their academic subjects. A letter grade of "D", however, will make the student ineligible for Honorable Mention. For example: for any "C", there must be an "A" to bring it to a "B" average.

PERFECT ATTENDANCE HONOR ROLL

In order to receive this honor, students must have perfect attendance during the grading period.

VALEDICTORIAN-SALUTATORIAN AWARDS

The Valedictorian Award is given at Commencement to the senior student with the highest cumulative grade point average and thus the highest class rank after eight semesters. If two or more students take all the weighted classes offered and receive the same grades in each of those classes, they will all be named valedictorian.

The Salutatorian Award is given at Commencement to the senior student with the second highest cumulative grade point average and thus the second highest class rank after eight semesters except that in the case of co-valedictorians, the senior student with the next highest cumulative grade point average will be honored as salutatorian regardless of class rank.

ATTENDANCE POLICY

The process of education requires participation, learning experiences, and study in order to reach the goal of maximum educational benefits for each individual student. The school cannot reach or teach students who are not present. If the student is absent, the benefit of regular classroom instruction is lost and cannot be entirely regained. On the practical level, student attendance is required by law, but on a more personal level, dependability is a trait admired and rewarded by society in general, and thus is a value that schools should nourish. A poor attendance record is

cause for concern because there is a strong relationship between attendance and academic progress in school. The problem also extends into adulthood, as job absenteeism is a growing problem to the business and professional world. The school may try all efforts to require a student to be present at school but it is ultimately the parents' responsibility to teach their child that attending school is a necessity. We ask that all parents take this responsibility very seriously.

Students must be in attendance a full day on the day of the activity to be eligible to attend extra-curricular events that evening, unless the principal gives prior consent.

Students who are absent in excess of four times during any quarter of the school year may be required to attend a conference with the Principal. The conference would be with the parents to examine and review the student's history and reasons for absences. Students may be required to provide a doctor's verification if their absences for illness are near or exceed four absences during any quarter of school. If a doctor's note is asked for and not received, the student's absence will be unexcused. The school will work with the student and parents in these situations to encourage regular daily attendance, however, it is ultimately the parents' responsibility.

The school is trying to teach the student dependability and in order to accomplish this goal the school **MUST** know the reason why a student is absent or late. We request that parents state the specific reason a student is absent; not "needed at home" or "personal". Parents have the right to keep their child home from school without giving the school a reason but the school also has the right to determine whether an absence is excused or unexcused. **Students who have an unexcused absence will receive zeros for all work that was missed during that absence.**

Students must observe the following rules:

PROCEDURES

1. Parents are requested to call the office to report the reason that their son or daughter is unable to attend school that day. The phone number is 225-7141 or 225-7143. The school has an automated answering service so parents may call at any time and leave a message as to why their child is not in school. The school will contact the parent at home or at work if the parent has not notified the school of the student's absence that day. **IF A PARENT DOES NOT CALL THE SCHOOL BY NOON THE DAY AFTER A STUDENT IS ABSENT, THE ABSENCE WILL BE UNEXCUSED.**
2. The student must bring a written statement signed by the parent stating the date and reason for the absence, unless parent contact has been made by phone.

EXCUSED ABSENCES

1. Student illness
2. Serious illness in immediate family
3. Death in family
4. Medical, dental, or legal appointments that cannot be arranged outside of school time. Any student absent from school due to a doctor or dentist appointment must, upon returning to school, bring a written statement from the doctor or dentist's office with the time and date of their appointment.
5. Emergency situations or other reasonable parental requests, as determined by the principal.
6. Observance of religious holidays.

Students absent 3 or more consecutive days may be required to submit a doctor's release form to the school.

Parents are encouraged to request a student's homework when they call the school to report their child's absences. Arrangements can be made to send the homework home with a sibling or other relative. **Every effort should be made by the student to complete the homework.**

HOMEWORK POLICY

IT IS THE STUDENTS' RESPONSIBILITY TO OBTAIN ANY HOMEWORK THAT IS MISSED DURING AN ABSENCE.

Students should call the school at 225-7141 and use the teacher's voice mail to obtain the assignment for the day. Students can follow the directions on the voice mail to obtain all of their assignments.

HOMEWORK/MAKEUP POLICY

When a student has an excused absence it is their responsibility to obtain missed homework assignments. Parents and students are encouraged to utilize the high school homework page which is posted daily with all assignments given by staff that day. For every day a student is absent they have the same amount of time to make-up the work i.e. home sick for 3 days you would have 3 days to make-up the work. Students are also encouraged to contact their instructors if they have questions.

PRE-ARRANGED ABSENCES (EXCUSED)

IT IS THE STUDENTS' RESPONSIBILITY TO OBTAIN ANY HOMEWORK THAT IS MISSED DURING AN ABSENCE. If it is known in advance that the student will be absent for any length of time and for any reason, the parent is to contact the principal prior to the absence. After talking to the principal, the students should get his/her assignments from their teachers. All work is expected to be turned in three (3) days after his/her return to school.

1. Reasonable parental requests as determined by the principal.
2. College visitation day(s) for juniors and seniors:
The student must be current in all assignments and not failing in any subject. Prior to taking the visitation day, the student will obtain a College Visitation Day form from the guidance office. This form will be completed, specifying the name of the college being visited, the date and time of the appointment and the name and telephone number of the college representative that the student will be seeing, and signed by the student's parent or guardian. The form should then be brought to the office for approval of the planned visitation. The student will then take this form with him/her and obtain the signature of the college representative. Upon returning to MHS, the student will return this form to the high school counselor. The absence will be listed as unexcused until this form, completed and signed as specified above, is turned in. The student is responsible for making up any tests and/or daily work missed prior to his/her absence.

UNEXCUSED ABSENCES

The following are examples of unexcused absences.

1. Suspension
2. Truancy
3. Leaving school without notifying the office
4. Shopping
5. Working
6. Hair appointments
7. Oversleeping
8. Driver's license test
9. Job hunting
10. Babysitting
11. Hunting
12. Senior Pictures
13. Paintball
14. Any other absence not covered in the excused absence section.

Any student that is **unexcused 3 times** will have a letter sent home informing the parents of the absences. Another letter will be sent home when the student reaches **5 unexcused absences**. If a student has **7 unexcused absences**, the student's parents will be required to have a conference with the principal. At **10 unexcused absences**, the student's attendance will be reviewed by the Principal with a possible suspension and the Regional Office of Education will be notified for truancy.

A truant student may be suspended from school and/or referred to the County Truant Officer.

P.E. EXCUSES

1. If a student is to be excused from P.E., the student must bring a note signed by the parent, stating the reason and date
2. A note from the parent will excuse the student from P.E. for 1 day only.
3. If a student must be excused from P.E. for more than 1 day at a time, a note, signed by the doctor, may be required.
4. A student may opt out of P.E. if they are participating in a sport, met the graduation requirement, or if they have an academic conflict which can not be remedied.

SKIPPING CLASS

Students who skip class will serve a detention equal to time missed and will not be allowed to make up work, tests, projects, etc. Students may also face further disciplinary action. Repetition may result in suspension.

TARDY SLIPS AND PASSES

Any student who is late for Activity Period, 2nd block, 3rd block or 4th block must get a tardy slip. The tardy slip is to be obtained from the teacher whose class you were in, or from the office if you were not coming from another class. Students will be allowed two (2) unexcused tardies without penalty. The third unexcused tardy will result in a 20-minute detention. There will be no additional action taken on the 4th and 5th tardy. RESOURCE ROOM

The Resource Room is a room to which a student may be referred after special testing for individual remedial instruction in academic areas. The program is designed to be of assistance to students who are experiencing problems with learning in the regular classroom setting. Emphasis is placed on teaching the specific skills that the student needs. The teacher will provide, on an individual basis, a variety of methods and materials in helping the student solve or overcome the learning problem. It is the goal of this program to provide for those students having difficulties with class work, a more rewarding and positive school experience.

GUIDANCE SERVICES

High school can be a challenging time for both students and parents. There are many successes as well as struggles. The guidance program is an excellent resource for planning and support during this time of growth and learning.

The goal of the guidance program is to foster the development of and provide support to every student in the areas of academics, college and career planning, and personal and social growth. This broad spectrum of services enables students to have the maximum opportunity for personal and professional success not only in high school but also in their future beyond.

Although the guidance counselor is available to provide suggestions and support, it is the ultimate responsibility of the student and their family to have a successful high school career. Parents are encouraged to be a part this accomplishment.

The guidance counselor has an “open door” policy to all students; however, the main goal of school is, of course, to learn. All students are encouraged to make appointments in advance either before or after school or as pre-approved by their teacher. Individual appointments are not available during activity period and lunch except in case of emergency. The counselor is available at these times for general discussion.

Additional services provided by the guidance counselor are college visits, financial aid and scholarship information, career guidance, and course selection. Please remember that the counselor is also available for emotional, interpersonal, and social guidance – successes as well as struggles.

Confidentiality is an integral part of the guidance program. Students as well as parents should feel safe in discussing personal issues with the counselor. The counselor’s main job is as student advocate, and that means that students need to trust and feel secure in the guidance office. Following is a statement of confidentiality and its limitations as stated by the Code of Ethics of the American School Counselor Association:

INFORMED CONSENT FOR COUNSELING
ETHICAL PROCEDURES

Confidentiality of Counseling Sessions

All information about students is held in strictest professional confidence unless released at the request of the student or court ordered to another qualified professional. Such release of information is made only after a statement signed by the student has been placed on file with the counseling program. The release details the nature of information to be communicated and specifies to whom such information is to be communicated. Additionally, there are two important exceptions to confidentiality:

If a student threatens harm or death to themselves or another person, counselors are legally, ethically and morally required to take action to protect the safety of the threatened person.

If abuse or neglect of a child, aged person or disabled person is known or suspected, counselors are required by law to report that concern to The Department of Children and Family Services (DCFS).

If you have any questions about the confidentiality of the sessions, please ask your counselor.

HEALTH EXAMINATIONS AND INOCULATIONS

All health requirements set by the State of Illinois for kindergarten, sixth and ninth grade pupils must be met by the first day of school, or the student will not be allowed to attend. Any child not meeting these requirements by this date may be reinstated by the administration upon the receipt of evidence of the completion of all requirements or upon notification of the day, time, physician or dentist, and location of an appointment for the completion of all requirements.

MEDICAL SERVICES

If it is necessary for a student to receive prescription or non-prescription medication during school hours, the following information must be sent by the physician with the medication:

student's name and birth date

physician's name, signature and phone number

name of medication, including dosage, route of administration, frequency and time of administration

beginning and ending dates of prescription/order

diagnosis requiring medication and intended effect

other medications the student is receiving

time interval for re-evaluation

The medication, whether prescription or non-prescription, must be brought to the school in the original package. Medication must be left in the school office. No medication is to be kept in a student's possession or locker.

In addition to the physician's written order, the school must receive a written request, signed by the parent/guardian, that the medication be given during school hours. The request must include the parent's/guardian's name and phone number in case of emergency.

In the event of illness or accident, school personnel will give emergency care only. Parents will be contacted immediately and are responsible for any additional care needed.

ILLNESS

Any student who becomes ill while at school should go to the office immediately. School office personnel will contact the parent by phone before the student is allowed to leave school. A cot is available for student use when it is unnecessary or impossible for the student to go home.

ACCIDENTS

Any accident in the school building, on the school grounds, or at any school-sponsored activity, must be reported immediately to the person in charge or to the school office.

Proper medical referrals will be made when necessary.

It is the responsibility of the students and parent to fill out "emergency cards" each year and to keep them up to date. Student insurance claims must be filed within 90 days.

2. Clothing that displays messages that promote the use of alcohol, tobacco, drugs, or sexually explicit messages are prohibited.

10. No shirts or pants with large holes in them and **absolutely no holes that expose undergarments or that are above short height.**

Students will be allowed to correct their dress before being sent home. Continuous violations could result in harsher consequences.

Wearing shoes in school is required by State Law.

BACKPACKS

Students will not be allowed to carry backpacks between class periods. They should be left in lockers during school hours.

STUDENT LOCKERS

A student's school locker and lock are the property of the school and must be used for the purposes intended: a storage area for books, school supplies, and outdoor garments. As such, they are provided for student use and are not to be considered private property. If school officials believe that the student has placed illegal or dangerous materials or substances in the locker, school officials may search the locker, with or without the student's knowledge or consent. Lockers may be searched by school officials at any time.

Care or maintenance of your locker or lock is the responsibility of the user. If a locker or lock is damaged, it is the responsibility of the user to pay for the damages. Keep your lockers locked at all times to prevent damage to locks or lockers.

VISITORS

Students who wish to bring a visitor to school must make 24 hour advance arrangements in the office. Visiting by students of other schools is not encouraged. Persons who are not associated with the school are not allowed to visit students or staff or to be in the halls except to go to the school office. No visitors are allowed during exam weeks. All visitors will report to the office and receive a visitor badge. They will return the badge and sign out before leaving the school.

ASSEMBLIES

From time to time during the school year, assemblies will be held. These assemblies may be of a serious nature or they may be mainly for entertainment. Regardless of the type of program, courtesy demands that all students be respectful. Attendance at all assemblies is required unless otherwise notified by the office.

BUS TRANSPORTATION

School bus transportation is provided for students who live more than 1 1/2 miles from school, and to those students living within the 1 1/2 mile limit when safety conditions dictate. Buses are also used in transporting teams and groups to various activities.

Safety dictates that students obey the following rules, as well as all rules established by the bus driver.

1. Bus students are permitted to converse quietly with persons sitting near them.
2. All students must be seated and are not permitted to change seats when the bus is in motion or annoy other riders on the bus.
3. Students must not, under any circumstances, put their head or arms out of the windows and windows must not be lowered below the mark shown on the bus. This is a state regulation.
4. Treat bus equipment as you would valuable furniture in your home. Damage to seats, etc., must be paid for by the offender.
5. In the case of a road emergency, remain in the bus until instructions are given by the driver.
6. The use of profane or abusive language will not be tolerated on the bus.
7. Smoking or striking matches is not permitted on the bus.
8. Drivers are not permitted, except by proper authorization by a school official, to stop at places other than the regular bus stop.
9. Do not push or crowd when loading or unloading. Be courteous to fellow passengers, allowing front row students to disembark first.
10. Unload only by the front door. Rear door is for emergency only.
11. The throwing of any articles on the bus or out of the windows will not be tolerated.

All students going on the bus to school-sponsored activities must return on the same bus. If a student wants to return home with his/her parents, one of the parents must either see the person in charge and ask permission or send a signed note of approval to the bus driver prior to departure from the school.

If any student is reported by the bus driver for misconduct, that student may be suspended from riding the bus to or from school until the matter has been resolved.

STUDENT PARKING AND DRIVING

Students driving cars are required to park their cars in the Park District property parking lot immediately upon arrival at school. Students may not sit in their cars or loiter in the parking lot. Students will not be allowed in the parking lot until the end of the school day. Cars are not to be moved from the designated areas until the student's classes are completed for the day, unless special permission is obtained from the office.

Students should not park illegally. This includes but is not limited to parking in a no parking zone, double parking and parking in the faculty lot. Vehicles found to be parked illegally will have a warning sticker placed on the window and will be moved by the student to a legal parking space. If the problem persists, the car could be towed and/or parking privileges could be revoked.

Anyone driving recklessly on school grounds, or on the way to or from school, may be denied parking privileges on the school grounds.

Drivers and passengers riding in cars in violation of these regulations will be held equally responsible.

GOOD STUDENT INSURANCE DISCOUNTS

Some insurance companies allow discounts of 15-25% on auto insurance for students who have maintained a B average in their course work. Students should contact their agent for the proper forms.

WORK PERMITS

A student must have a work permit for any regular after-school job if he or she is between the ages of 14 and 16. Your employer must request this work permit. Permits must be handled through the principal's office.

SCHOOL SONGS

Football

Fight on for Milledgeville;
We've got the team,
We've got the will.
Fight on for Milledgeville;
You know our team
Is never standing still.
Fight on for Milledgeville;
We've got to keep our honor high!
So let's go! go! go!
Across the field
And let's win this game tonight! Hey!
(repeat)

Basketball (Tune: "Illinois Loyalty")

We're loyal to you Milledgeville,
We're orange and black Milledgeville.
We'll back you to stand
Against the best in the land
For we know you have sand, Milledgeville.

So break that defense, Milledgeville.
We're backing you on, Milledgeville.
Our team is a fame protector,
On, boys, 'cause we expect a
Victory for you, Milledgeville!

Bring out the dear old flag of orange and black
Because our sons and daughters are fighting for you
Amid the old and giants,
Racing reliance, shouting defiance,
OSKEEWAHWAH!

Amid the broad green plains that nourished our land,
For honest labor and for learning we stand;
And unto thee we pledge our hearts and hands
For dear old high school Milledgeville!
