Waiver of Student Fees

The School Board has established fees and charges to fund certain school activities. School fees may include, but are not limited to: required textbooks and instructional materials; charges and deposits for use of school property; charges for field trips; charges for uniforms or equipment; charges to participate in extracurricular activities; charges for supplies of particular classes; graduation fees; school record fees; and driver's education fees.

The Board recognizes that some students will be unable to pay these fees; however, students shall not be denied educational services or academic credit due to the inability or unwillingness of parent(s) or guardians(s) to pay fees and charges.

Students whose parents are unable to afford student fees may receive a waiver of fees; however, these students are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

At the beginning of each school year, the school district's waiver of school fees policy will be published in the District newsletter. A fee waiver application form shall be available at each building office.

A student shall be eligible for a waiver of a fee when at least one of the following prerequisites is met:

1. The student is currently receiving aid under Article IV of the Illinois Public Aid Code (Aid to Families with Dependent Children).
2. The student is currently eligible for Free or Reduced Price Meals pursuant to Ill. Rev. Stat., Ch. 122, Para. 712.1 et seq.

Additional consideration for fee waiver will be given where emergency situations exist. The parent or guardian shall submit evidence of eligibility for waiver of the student's fees. The Superintendent will notify the parent(s) or guardian(s) as to whether the fee waiver request has been granted or denied. A denied request shall state the reason.

School Vision Screening Notification

Vision screening by the school nurse will be done at school, as mandated, for the following children during the 2010-2011 school year: preschool, kindergarten, second, eighth, special education, teacher/parent referrals, and students new to the district. Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor (as required for Kindergarten).

Your child is not required to undergo this vision screening at school if an optometrist or ophthalmologist has completed and signed a report form indication that an examination has been

administered within the previous 12 months and that evaluation is on file at the school. This screening is not an option. If a vision examination report is not on file at the school; your child in the mandated grade will be screened.

Safety Is Important

Safety is always an important issue when it comes to our students. With this in mind, we are asking the students who use the crosswalk when coming to school to follow these rules: (Note: some of the following will only apply to Chadwick's crossing)

- 1. Do not cross the street anywhere but at the corner crosswalk** – there are painted lines there, and this is a designated crossing area.
- 2. Never walk in the street.**
- 3. Never cross between cars** – it is hard for drivers to see small children and get stopped in time.
- 4. Always use the sidewalks** when you get out of a vehicle and do not dart across the street.
- 5. Always wait for the crossing guard** to take you across the highway.

If we all work together and follow these rules, everyone will get to school and home safely.

When Weather Closes Chadwick and Milledgeville Schools

When snowstorms, bad roads, or other emergencies make it necessary to close school for a day or more, students and parents will be notified via School Reach telephone calls, radio/TV and by a message on the district website at www.dist399.net as soon as a decision has been reached to close school. Hopefully, this decision will be made no later than 6:30 a.m. The following radio/TV stations will be given this information:

WSDR - Sterling, 1240 AM
KROS - Clinton, 1340 AM
WSSQ - Sterling, 94.3 FM
KCLN - Clinton, 1390 AM
WFPS - Freeport, 92 FM
KLNT - Clinton, 1390 AM
WFRL - Freeport, 1570 AM or 98.5 FM
WLLT - Dixon, 107.7 FM
WCCI - Savanna, 100.3 FM
KWQC TV - Davenport - Channel 6

In case school is dismissed early or it is necessary to delay the running of buses due to inclement weather, you will receive a School Reach phone call and the information will also be posted on the district website and broadcast over the same stations (Note: the email notification system has been discontinued). Regardless of the official action to close or not to close, students and parents are urged always to use discretion in deciding whether or not to travel to school.

School Reach Automated Telephone Contact System

We have discontinued the email notification of school closing or early dismissal due to emergency. We will utilize the School Reach telephone notification service exclusively this year! When the administration decides to close school, dismiss early, or wants to provide an important reminder to parents we will execute a School Reach call. When a School Reach call is made a recorded message will be sent to the contact numbers you provide the school district during registration. Please make sure that the contact numbers we have for your family are accurate and up to date. Warning: In the case of school closing you will receive phone call notification very early in the morning i.e. 5:00 A.M. If this is not acceptable notify in writing the

office secretary in the building your child attends that you would like to be removed from the School Reach telephone notification program.
